

2022-2024 F-150  
(Body Control Module - BCM)  
BCM-24.6.R

### Priority Update - Battery Optimization

Software updates are designed to help make your vehicle better over time.  
BCM-24.6.R

1

### Enhanced Power Management

- Your vehicle's system now better detects when your battery's charge is low, helping maintain smooth operation and providing you with timely alerts.
