<p>When pairing the MyMazda app to a vehicle, does the authorization code expire?</p>	<p>Yes, the code expires after 5 minutes. If it has expired, you can request a new authorization code via the MyMazda app. Simply return to Connected Services Enrollment, proceed to the step "Request Authorization Code," then tap "Request."</p>	
<p>What is the difference between the two-way authorization validation code and the authorization code?</p>	<p>While both codes are for security purposes, they work differently:</p> <ul style="list-style-type: none"> • Validation Code: Used for two-way authentication when you initially sign into your MyMazda app account. This code is sent to the your smartphone device via SMS. You will enter your validation code in to the MyMazda app after receiving it via SMS during the app registration process. • Authorization Code: Used to pair your MyMazda account to the vehicle. This code is sent to the vehicle's head-unit display. You will then enter the authorization code in to the MyMazda app after confirming it on the vehicle's head-unit display during Connected Services enrollment. 	
<p>What Connected Services functions can be accessed in Guest Mode?</p>	<p>You can SIMULATE Connected Services functions in Guest Mode (not connected to a vehicle) by simply selecting "Guest Mode" from the MyMazda app login screen. Then, select applicable vehicle to see how Connected Services features like Remote Start and Vehicle Status look on the MyMazda app. Guest Mode also provides helpful features, including dealer search, recommended maintenance schedule, manuals and guides, Roadside Assistance and a variety of other Menu options. Register for a MyMazda account and enroll in Connected Services to experience the full suite of features.</p>	
<p>Can multiple users be registered under the same email address?</p>	<p>No, additional users must use email addresses that are not currently used on the MyMazda app and MyMazda Web.</p>	
<p>What about loaner vehicles? Will the Connected Services functions be activated?</p>	<p>Connected Services functions can easily be activated on applicable models via the MyMazda app, even a loaner. If a customer utilizing the loaner activates their phone, after returning the loaner, the dealer (or next customer) can override at any time via MyMazda app. For security purposes, dealer processes will need to be in place to terminate Connected Services from former driver when loaner vehicle is returned.</p>

<p>How do I delete my account from the MyMazda app?</p>	<p>You can delete your account from the MyMazda app entirely using the following directions:</p> <ol style="list-style-type: none"> 1. Tap "PROFILE" from the MENU. 2. Tap "Edit Profile" from the Action Tab. 3. Tap [DELETE ACCOUNT]. 4. Read the WARNING carefully, and tap [CONFIRM] if you are sure you wish to delete your account. By deleting your account, you are withdrawn from Connected Services automatically, and the vehicle registration information connected to your account is deleted. 	
<p>Does deleting my MyMazda app account cancel my Connected Services subscription?</p>	<p>Yes, deleting your MyMazda account ends your subscription to Connected Services.</p>	
<p>How do I start Connected Services as the second owner of the vehicle (i.e., if vehicle was purchased used or Certified)?</p>	<p>Download the MyMazda app and follow the registration instructions. If Connected Services was previously enabled, a message will appear in the MyMazda app during the registration process, notifying new owner they'll be taking over Connected Services from previous owner.</p> <p>NOTE: The previous owner of the vehicle will receive an email with the following contents: Subject: Notification of unsubscribe. Body: Your connected service account has been unsubscribed. The primary user account has been taken over by another user. Do not reply to this message. If you have questions, please visit https://www.mazdausa.com/contact-us.</p>	

WI-FI General Information

FAQ	Answer
<p>What is in-vehicle Wi-Fi?</p>	<p>In-vehicle Wi-Fi lets you use your vehicle as a Wi-Fi hotspot so you can connect to the internet and stream media such as music, video and so on.</p>
<p>Do I need a wireless plan to access the internet with my vehicle's Wi-Fi hotspot?</p>	<p>Yes. You can take advantage of the free trial through:</p> <ul style="list-style-type: none"> • Applicable Mazda3 and CX-30 (built before July 1, 2021) - Verizon that's good for 2GB or 6 months • Applicable Mazda3 and CX-30 (built July 1, 2021 and later) - AT&T that's good for 2GB or 3 months • Applicable CX-5, CX-50, CX-70, CX-9, CX-90, MX-30, MX-5 - AT&T that's good for 2GB or 3 months <p>whichever comes first.</p> <p>After the free trial period, you can sign up to Verizon's/AT&T wireless plan to continue services.</p>
<p>How do I set up the in-car Wi-Fi hotspot?</p>	<p>The in-car Wi-Fi hotspot is a separate service provided by Verizon/AT&T for Mazda vehicles.</p>

CONSUMER NOTICE: The information and instructions in this bulletin are intended for use by skilled technicians. Mazda technicians utilize the proper tools/ equipment and take training to correctly and safely maintain Mazda vehicles. These instructions should not be performed by "do-it-yourselfers." Customers should not assume this bulletin applies to their vehicle or that their vehicle will develop the described concern. To determine if the information applies, customers should contact their nearest authorized Mazda dealership. Mazda North American Operations reserves the right to alter the specifications and contents of this bulletin without obligation or advance notice. All rights reserved. 	<p>Verizon will be the service provider for applicable Mazda3 and CX-30 vehicles, with all service agreements being made between Verizon and the customer.</p> <p>AT&T will be the service provider for applicable CX-5, CX-50, CX-70, CX-9, CX-90, MX-5 and MX-30 vehicles, with all service agreements being made between AT&T and the customer.</p> <p>Using your device, discover the vehicle's designated SSID and use the appropriate password to set up. Or, you can check for instructions within MyMazda by accessing QUICK LINKS and tapping "In-Car Wi-Fi."</p>
Will devices automatically connect to the hotspot after setup?	Yes. Following setup, devices within range will automatically connect to the hotspot as long as their Wi-Fi is enabled.
What is the download speed?	As the Wi-Fi uses Verizon, your Mazda uses America's largest and most reliable 4G LTE network. Download speeds typically run between 5 and 12 Mbps, with peak download speeds reaching up to 50 Mbps.
What happens if I reach my Wi-Fi data limit during my subscription?	<p>If you reach the limits list below, simply continue services by signing up for Verizon's/AT&T's wireless plan. Verizon/AT&T offers an unlimited plan for \$20 per month.</p> <ul style="list-style-type: none"> • Verizon applicable Mazda3 and CX-30 (built before July 1, 2021) - 2GB / 6-month free trial • AT&T applicable Mazda3 and CX-30 (built July 1, 2021 and later) - 2GB / 3-month free trial • AT&T applicable CX-5, CX-50, CX-70, CX-9, CX-90, MX-5 and MX-30 - 2GB / 3-months free trial
How many devices can be connected to the Wi-Fi hotspot at any given time?	You can connect up to five (5) devices to the Wi-Fi hotspot at a time.
Am I able to check how much data I've used each month once I have a Wi-Fi subscription?	During the free trial, you can monitor how much of the 2GB / month limit was used. If you enroll in Verizon's/AT&T's \$20-per-month unlimited plan, there will be no data limit.
Where will I have Wi-Fi coverage?	Within the United States, Connected Services uses Verizon's network, America's largest and most reliable 4G LTE network. When driving in Canada, roaming is available, with up to 512 MB per day available at 2G speeds.
Can an owner use a different Wi-Fi provider than Verizon in the future?	No, only Verizon/AT&T. This platform is hard-coded to only function with Verizon/AT&T services. Consideration is being offered for greater flexibility with future generation platforms.

WI-FI How-To

FAQ	Answer
How do I connect a device to my vehicle's Wi-Fi hotspot?	Using your device, discover the vehicle's designated SSID and use the appropriate password.
How do I turn the Wi-Fi hotspot on/off?	First, access the Wi-Fi Settings menu: 1. Select Settings from the Mazda Connect MENU. 2. Select Connectivity. 3. Select Wi-Fi Settings. From here, you can turn the Wi-Fi off or on. You can also set a designated SSID and password, much like you would with a home router.
How do I manage my Wi-Fi hotspot password?	You can manage the Wi-Fi password by following these steps: 1. Select Settings from the Mazda Connect home screen. 2. Select Connectivity. 3. Select Wi-Fi Settings. 4. Select Wi-Fi Password to manage the password.
What if I forget my Wi-Fi password?	You can manage the Wi-Fi password by following these steps: 1. Select Settings from the Mazda Connect home screen. 2. Select Connectivity. 3. Select Wi-Fi Settings. 4. Select Wi-Fi Password to manage the password.

WI-FI Trial Period

FAQ	Answer
How do you begin the Wi-Fi trial?	Any applicable free Wi-Fi trials and monthly subscriptions are handled directly with Verizon/AT&T.
What happens if I reach my data limit during the Wi-Fi trial?	If you reach the limits of the free trial, simply continue services by signing up for Verizon's/AT&T's wireless plan. Verizon/AT&T offers an unlimited plan for \$20 per month. The customer can contact: <ul style="list-style-type: none"> • Verizon directly at (800) 331-4331 for applicable Mazda3 and CX-30 (built before July 1, 2021) • AT&T directly at (800) 331-0500 for applicable Mazda3 and CX-30 (built July 1, 2021 and later) • AT&T directly at (800) 331-0500 for applicable CX-5, CX-50, CX-70, CX-9, CX-90, MX-5 and MX-30. Please advise the customer to have their IMEI number available, as Verizon/AT&T may request this information during the call. How To Obtain IMEI Number <div style="border: 1px solid black; padding: 5px; text-align: center;">Go to the MyMazda App</div>

e. Select "In-Car Wi-Fi"

f. Instructions & IMEI Displayed

QUICK LINKS

- To find your Wi-Fi network name on the vehicle center screen:**
 - Select Settings from MENU
 - Select Connectivity Settings
 - Select Wi-Fi Settings
 - Select SSID
 - Find the Access Point Name (SSID) on your device, then select it
- To find your Wi-Fi network password on the vehicle center screen:**
 - Select Settings from MENU
 - Select Connectivity Settings
 - Select Wi-Fi Settings
 - Select Wi-Fi Password
 - Enter the password on your device to connect to the Wi-Fi network
- Open a web browser on your device and you will automatically be redirected to the Wi-Fi trial sign-up page. Select the option to start your trial on that sign-up page**
- Complete all the required fields and accept the terms of the provider's customer agreement**
- You will then receive a confirmation email. It may take up to 15 minutes for the Wi-Fi to activate**

IMEI:
35719509809XXXX

OK

What are the trial terms for Wi-Fi hotspot?

The free trial is good for:

- 2GB or 6 months, whichever comes first, for Verizon applicable Mazda3 and CX-30 (built before July 1, 2021)
- 2GB or 3 months, whichever comes first, for AT&T applicable Mazda3 and CX-30 (built July 1, 2021 and later)
- 2GB or 3 months, whichever comes first, for AT&T applicable CX-5, CX-50, CX-70, CX-9, CX-90, MX-5 and MX-30.

Interacting With The App

FAQ	Answer
<p>Can I use multiple devices for the same account?</p>	<p>No, not simultaneously. For security purposes, the app will automatically log other devices out when a new one logs in.</p>
<p>Do I need to be within a certain distance of my Mazda for Connected Services to work?</p>	<p>As long as both the MyMazda app and the vehicle are within range of cellular service, Connected Services should work.</p>
<p>Can I add multiple Connected Services drivers to the same Connected Services account?</p>	<p>Yes, the primary driver can invite up to three (3) other Connected Services drivers through MyMazda. The primary driver can also cancel the invites at any time through MyMazda.</p> <p>To add drivers:</p> <ol style="list-style-type: none"> 1. Go to "My Vehicles" 2. Tap "Manage Drivers" 3. If a spot is available, tap "+ Invite Driver" <p>If you change your mind, you can tap "Cancel Invitation" to retract your invitation to a secondary driver.</p>
<p>Can I use the app on a tablet instead of a smartphone?</p>	<p>Yes, but some functions may not work properly, as tablets are not fully supported.</p>
<p>Can I use the Remote Control feature while sitting in the connected vehicle with the key?</p>	<p>No, none of the Remote Control functions will operate if the key is located inside the car, or if all of the doors are not closed.</p>
<p>Can I schedule a service appointment using Connected Services on the Mazda Connect display in my vehicle?</p>	<p>No, you can only schedule a service appointment through the MyMazda app (or web), not through the in-vehicle Mazda Connect display.</p>

<p>When are Vehicle Status and Vehicle Health Report data updated?</p>	<p>Vehicle Status and Vehicle Health Report data is updated after ignition off. As long as the engine is running, information is not updated, even if it is refreshed.</p> <p>NOTE:</p> <ul style="list-style-type: none"> • It may take several minutes for Vehicle Status and Vehicle Health Report to be updated after ignition off. • Vehicle Maintenance due data is pulled from the vehicles MAZDA CONNECT system. The customer can change the settings at: MAZDA CONNECT -> Information -> Vehicle Status Monitor -> Vehicle Maintenance Settings. 	
<p>If I lose my phone, how can I restrict access to Connected Services?</p>	<p>You may login to Connected Services using any other smart device by downloading the MyMazda app and using your MyMazda login credentials. Even if you don't have another smart device, access to Connected Services will be restricted to other users by the Identification Management system of the MyMazda app (cannot login without password or biometric login).</p>	
<p>When I use Remote Engine Start to warm up my vehicle, how long will the engine continue running?</p>	<p>If Remote Engine Start is used, the engine will stop running automatically after 15 minutes for safety, security and emissions.</p> <p>NOTE: The Remote Engine Start can only be used 2 consecutive times while the vehicle is not driven. The vehicle must be driven 1-mile or 24-hours must pass from the last successful Remote Engine Start for the use count to reset. For more information, refer to the Connected Services Owner's Manual.</p>

Service Issues

FAQ	Answer
PHEV - Remote engine start function does not start the engine	MX-30 and PHEV vehicles do not have a Remote Engine Start function; instead, they are equipped with the following remote functions: <ul style="list-style-type: none"> • Start / Stop Charge • Climate On / Off See SA-038/23
I cannot set the climate control when using the MyMazda App.	Remote Climate Control is only available on EV and PHEV models. See SA-038/23
Is my Connected Services reception affected by weather conditions or geographic features such as tunnels or steep valleys?	Yes, inclement weather, remote locations, enclosed areas, or underground parking garages can affect your service. Use the radio wave reception level indications of the communication unit to determine if your Connected Services reception is being affected. For details on the system's limitations, refer to the Terms and Conditions .
Can I use Connected Services as normal during an app update?	It may not be possible to use certain Connected Services functions during a MyMazda online update.
<ul style="list-style-type: none"> • Low Tire pressure will not clear after correcting tire pressure. • Vehicle status is inaccurate. 	The MyMazda App is not real time. <ul style="list-style-type: none"> • Customer must go to MyMazda app's Inbox and read/open all the messages related to the low tire pressure alert, then the "Low tire pressure" alert will clear from MyMazda app's Health Report • Message will clear after next drive cycle.
CX-5, CX-9 The MyMazda App does not display tire air pressures 	<ul style="list-style-type: none"> • CX-5 and CX-9 Normal Operation • No action needed

Troubleshooting

Go to [SA-009/23](#) - CONNECTED VEHICLE SYMPTOM TROUBLESHOOTING

CAUTION: DO NOT swap TCU with another vehicle as the TCU is VIN locked after activation. A TCU swap with another vehicle will disable Connected Services on both vehicles.

16. Turn the ignition OFF for 10 minutes or longer.

17. Turn the ignition ON.

18. Check the Connected Vehicle reception strength icon:

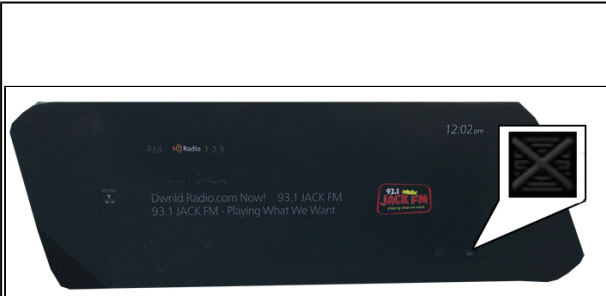

- Reception strength icon shows normal strength. TCU is now active. Proceed to [Enrollment](#).

- Reception strength icon shows "X". TCU activation is still processing. Repeat steps 16-18.

Note:

- This step may need to be repeated a few times until normal strength is shown.
- If steps 16-18 was repeated several times with no change, disconnect 12V battery for 5-10 minutes, then recheck reception strength icon.

Remote Engine Start Will Not Function under the following conditions

Item	Condition
1	Remote Engine Start function is not available on EV and PHEV (inline 4) models. See SA-038/23

	Drive the vehicle for a few miles to recover.
21	DTC stored 
22	Remote engine start aftermarket accessory installed
23	Mazda Remote Engine Start (BCKA-V7-620) accessory installed (No MyMazda app remote engine start function). Mazda Remote Engine Start (RES) Removal a. Remove the Mazda Remote Engine Start (RES) accessory module. b. Deactivate and activate Advanced Key(s). Refer to MGSS IMMOBILIZER SYSTEM-RELATED PARTS PROGRAMMING [(US)]
24	First remote control attempt fails, second attempt works fine. Go to TSB 16-002/20 .
25	CSP04 Status Open

Remote Engine Start Function Will turn engine OFF under the following conditions

Item	Condition
1	Vehicle door(s) opened
2	Vehicle trunk opened
3	Vehicle hood opened
4	Ignition switch push button "ON" detected
5	Remote engine STOP request
6	Brake pedal switch detects brake application
7	DTC stored
8	Engine will stop running automatically after 15 minutes for safety, security and emissions.

Deactivation Mode

- Deactivation Mode Temporary Suspension 6/16/2023 (6/11/2023 retail date and later)
- Vehicles retailed before 6/11/2023 and in Deactivation Mode will remain in Deactivation mode.

NOTE:

- Customer/Dealer can activate CV services anytime via MyMazda app (there just might be a slight delay in making the backend connection since it was temporarily deactivated).
- When TCU is in Deactivation Mode, infotainment Over-the-Air (OTA) Connectivity Master Unit (CMU) software update is not possible (disabled).
- Prior to Retail Date, the TCU is active.

No action needed.
Inform the customer that TCU is already deactivated. Data communication is not being transmitted from the vehicle

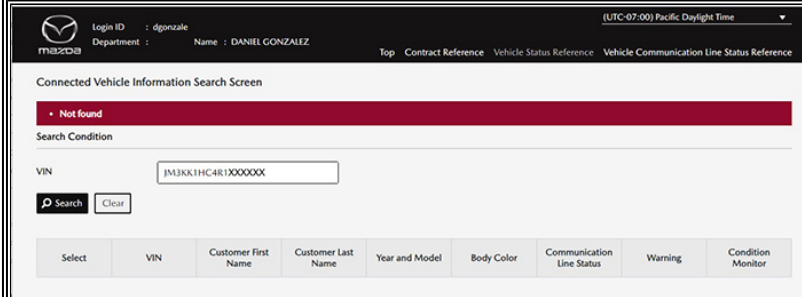

Infotainment Center displays normal reception.
Go to next step

2. Is the customer currently enrolled into Connected Vehicle services?

Yes - MCVV shows customer enrollment
Go to step 4.

No - MCVV shows no customer enrollment
Go to next step 3.

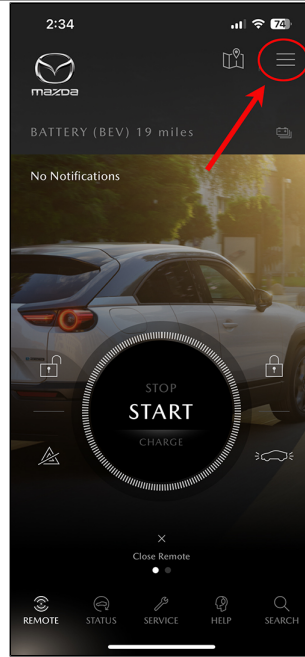

3. Enroll into Connected Vehicle services.
Note: This step can be performed by dealer or customer.

Go to [Connected Vehicle Owner's Manual](#):

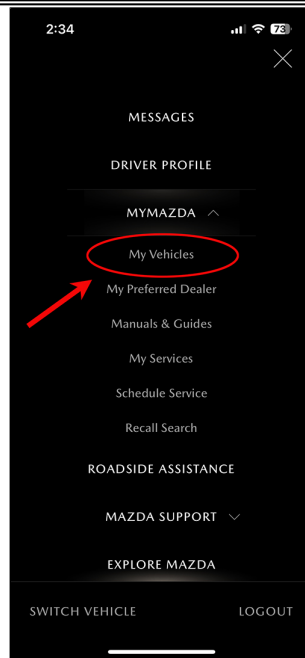

- Registering Vehicle Information
- Registering Connected Service
- After enrollment, go to step 4.
