Part Description: TRANSFER CASE BW 44-46

Issue Description: If fluid leak is present between the transfer case and the rear driveshaft on a 4WD vehicle the Output Shaft Seal - service part numbers 68161329AA OR 68449218AA (max tow application) - should be considered in lieu of entire transfer case or driveshaft replacement. In the case of major damage to components, contact StarCenter and/or proceed with replacements as necessary.
