# Preliminary Information

## PIT6180 Seat Belt Comfort Guide Part Information

### Models

Brand:	Model:	Model Years:	VIN:		Engine:	Transmissions:
			from	to		
All	All	2017 - 2024	All	All	All	All

Involved Region or Country	North America
Condition	Rear seat belt comfort guides may provide added seat belt comfort for older children who have outgrown booster seats and for some adults. When installed on a shoulder belt, the comfort guide positions the shoulder belt away from the neck and head.
Cause	In some cases, it may be difficult to locate the rear seat comfort guide part number in the parts catalog.

### **Correction:**

Comfort guides are available for the rear seating positions, part number 13526043. Instructions are included with the comfort guides. Refer the owner's manual for more information about comfort guides.
