

**2021-2022 MY K5 VEHICLES
HEATING, VENTILATION, AND AIR CONDITIONING (HVAC) BLOWER MOTOR
NEW VEHICLE LIMITED WARRANTY EXTENSION (WTY037)
Q & A
AUGUST 14, 2024**

Q1. Why is Kia extending the New Vehicle Limited Warranty for HVAC blower motor concerns?

A1. *Kia America, Inc. takes pride in providing you with high quality and dependable vehicles. To maintain these standards, Kia is extending the New Vehicle Limited Warranty coverage for repairs related to the Heating, Ventilation, and Air Conditioning (HVAC) blower motor.*

Q2. What is the term of the warranty extension for the HVAC blower motor?

A2. *Kia is extending the New Vehicle Limited Warranty coverage, to all owners, for repairs related to the HVAC blower motor in 2021-2022 MY K5 vehicles from 5 years / 60,000 miles to 15 years / 180,000 miles, whichever comes first, starting from the date the vehicle was first put into service.*

Q3. What vehicles are covered under the terms of this warranty extension?

A3. *All 2021-2022 MY K5 vehicles.*

Q4. Does this warranty extension also extend the warranty on other vehicle components?

A4. *No. This warranty extension is limited to the HVAC blower motor condition and does not alter the limitations and exclusions contained in the New Vehicle Limited Warranty.*

Q5. What should vehicle owners do when they receive the warranty extension notice?

A5. *Owners should retain the Warranty Extension Letter in the glove compartment of their vehicle, preferably together with the vehicle's other warranty information. Owners are to contact their nearest Kia dealer to have their vehicle diagnosed if their vehicle experiences loss of or reduced HVAC airflow. Vehicle owners are to provide the letter to their servicing dealer when seeking service. Owners who sell their vehicles should ensure that this letter is included with the documents provided to the buyer.*

Q6. Does this warranty extension cover the cost of having the vehicle diagnosed by a Kia dealer?

A6. *Yes. If, at any time within the extended warranty period, the customer experiences loss of or reduced HVAC airflow, Kia authorizes its dealers to diagnose the cause free of charge at no cost to the customer.*

Should the loss of or reduced HVAC airflow be diagnosed as being due to damaged multi-fuse terminals within the HVAC blower motor circuit, Kia authorizes its dealers to relocate the blower motor 40-ampere fuse to another circuit within the multi-fuse which has an increased terminal width free of charge at no cost to the customer under this warranty extension.

Q7. Does the warranty extension apply to used vehicles?

A7. *Yes, provided the vehicle falls within the parameters of this warranty extension (15 years / 180,000 miles, whichever comes first, starting from the date the vehicle was first put into service).*

Q8. If an owner has an immediate question, where can they get further information?

A8. The customer can contact their authorized Kia dealer or call Kia's Customer Care Center at 1-800-333-4542 (Monday through Friday, 5AM to 6PM, Pacific Time), or via <https://customercare.kiausa.com>.

Q9. What about owners who may have already paid to have this issue remedied?

A9. Owners who have incurred expense to remedy this issue prior to the date of this notice may have the opportunity to obtain reimbursement for that expense. They may submit their receipts online to Kia via <https://customercare.kiausa.com> or mail their receipts with a copy of the attached Request for Reimbursement form directly to Kia for review and consideration at the following address:

*Kia Customer Care Center
Kia America, Inc.
P.O. Box 52410
Irvine, CA 92619-2410
1-800-333-4KIA (4542)*

Kia will review and respond to the claim within sixty (60) days of receipt. Kia may either accept or reject the claim, or it may request more information to evaluate the claim.
