

## GPOP - Issue Review System

**Part Number:** 68590590A\$

**Part Description:** SWITCH AND BEZEL Front Door

---

**Issue Description:** Before replacing the driver window switch, please follow these steps:  
1.- Review the master window Switch for any physical issue (Button stuck, broke). If no physical issue identified, move to next steps. 2.- Make sure all the switches harness are properly connected, disconnect the switch and reconnect it, and reverify the issue. If after performing these steps the switch remains faulty, please replace the switch
