

Subject

# Torque Converter Required During Transmission Replacement with Debris

Market

USA

Service Category

Drivetrain

Section

Automatic Transmission/Transaxle

Applicability

24MY Tacoma

## APPLICABLE VEHICLES

2024

Tacoma

## CONDITION

When replacing the transmission, if debris is found in the pan, it is required to also replace the torque converter. If the torque converter is not replaced, then the remaining debris may be introduced into the replacement transmission.

## RECOMMENDATIONS

Replace the torque converter and transmission using the appropriate repair manual.
