.SUBJECT: FL997 Emissions Recall Campaign Suspended

This letter is to inform you that Emissions Recall FL997, FCCC Clean Idle Label, will be suspended on Monday 09/30/2024. On this date, FL997 will be marked as "Suspended" in OWL.

It has been determined that the campaign population needs to be revised. An ICI (important campaign information) letter will be posted to the DTNA Portal once the revised population is finalized, and the emissions recall is reactivated.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC (Warranty Support Center) app located on the DTNA Portal.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
