**Important:** Service agents must comply with all International, Federal, State, Provincial, and/or Local laws applicable to the activities it performs under this bulletin, including but not limited to handling, deploying, preparing, classifying, packaging, marking, labeling, and shipping dangerous goods. In the event of a conflict between the procedures set forth in this bulletin and the laws that apply to your dealership, you must follow those applicable laws.

### Information

6730971

This bulletin will be covering the new release of the 2025 Equinox EV and all changes that will be coming for this new model year vehicle. For all model feature information regarding the Equinox EV, please see bulletin #24-NA-093: 2024 Equinox EV New Model Features.

The LT base model, priced at \$34,995 (including destination and excluding the \$7,500 tax credit), will be available for 2025 and provides an impressive list of standard equipment which includes the following:

- 17.7-inch diagonal infotainment touchscreen paired with an 11-inch diagonal driver information center.
- Google Built-In, and Hands-Free start

The LT base model also includes the following standard safety features:

- Forward Collision Alert
- Front Pedestrian and Bicyclist Braking
- Side Bicyclist Alert
- Rear Park Assist
- Forgotten Cyclist Detection
- Rear Cross Traffic Alert with Braking
- Lateral Impact Avoidance/Side Collision Assist
- Enhanced Lane Keep Assist
- Reverse Auto Braking

Additional 2025 Equinox EV Updates:

- Added Head-Up Display and Rear Camera Mirror on LT and RS trims
- Available Comfort Package on LT trim
- 19.2 kW Charger and 3 kW Off-Board Charging on RS trim (late availability)
- Available Wireless Charging Pad

Items removed from the 2025 Equinox EV:

- 20-inch wheels will no longer be an option
- The dual level charge cordset RPO PSC will no longer be added with the vehicles. Dealers must select this separately in the order form if the customer wishes to have the portable cordset added to their vehicle.
- Hood insulators and underhood sight shields will be removed from all trim levels. Please refer to **#PIT6219: Underhood Insulator and Beauty Covers/Sight Shields Missing** for more information.
