CAN	2022	2023	RS E-TRON GT	210

**Counts reflect overall population; some vehicles may have already been repaired. Check Campaigns/Actions screen in ELSA on the day of repair to verify that a VIN qualifies for repair under this action. ELSA is the only valid campaign inquiry & verification source.*

- Repair:**
- REPAIR AVAILABLE – September 04, 2024
 - Reference the 91VT bulletin for criteria specific conditions and remedies.
 - See ELSA and Service References in Elsa2Go for complete repair & claiming instructions
 - Check daily campaign open inventory report or OMD for affected vehicles in inventory
 - Repair every affected inventory vehicle before delivery to consumers.

Parts Department: See the UPDATE technical bulletin for required materials.

Notes: Dealers must ensure that every affected vehicle gets the update before delivery to consumers. Your effort is integral in reaching the highest quality expectations of Audi customers.

- Updates differ from recalls and service actions; consumers are notified in writing of recalls and service actions. Therefore, consistent with general policy governing Updates, customers will not be receiving letters about this action.
- Each vehicle coming into your workshop (for maintenance or any other service visit) that shows this Update code open in ELSA on the day of repair should have the work completed.
- Affected vehicles in dealer inventory **cannot be delivered** to consumers until this Update is completed.
- To identify any vehicles in your inventory that are affected by this Update, please run the “New and CPO Inventory Open Campaign/Action Listing” report from the OMD Web system.
