SERVICE:

This is normal for a modern engine, oil consumption can be slightly higher during the engine “break-in” period, which varies depending upon individual driving profiles/habits.

This period is normally during the first year of use or up to 12000km/7500 miles.

Should the oil level fall below optimal levels during this period, please change engine oil and oil filter according to VIDA instructions.

Note:

This TJ is only valid for vehicles up to 12000km or 7500 miles.

Warranty claim info:

To get a warranty claim accepted for a job described in this TJ, use the corresponding VST OP number stated in this TJ.

Note that the TJ number must be stated in the repair order text.

VST Operation Number

VST Operation Number	Description
22217-2	Oil filter/engine oil replace

VEHICLE REPORT:

Yes, please submit a Vehicle Report if the service solution described in this TJ has no effect. Use concern area “Vehicle Report” and sub concern area “Support not needed”, use function group 2200.
