

## WALK AWAY LOCK – APPROACH UNLOCK

### Concern

Walk Away Lock and Approach Unlock functions missing or disabled.

### Technical Description:

Details on corrective action previously communicated through SSM76145.

SSM76145 has now been replaced by Technical Bulletin **JLRTB02129NAS**. Bulletin may be found in the following location.

- **Bulletins->Technical Bulletins-> 419 Electronic Feature Group-> JLRTB02129NAS – Walk Away Lock and Approach Unlocking Unavailable**

### Action:

Reference Technical Bulletin **JLRTB02129NAS** in TOPIx on repair actions to restore and enable Walk Away Lock and Approach Unlock features where applicable.

### Diagnostic note:

Repair outlined in Technical Bulletin **JLRTB02129NAS** may require an update to vehicle CCF.

Vehicle lockdown and sleep cycle is required for successful completion of CCF update or change.
