

## PAB1157 (REV A): 2024 PAN AMERICA TOP CASE MOUNTING FITMENT

### Reason for Revision

Table 1

Table 1. Document History

Date	Rev	Revision (Rev) Description
2024-10-15	A	Address part availability and compatibility.
		* Updated: Purpose for Parts and Accessories Bulletin, Summary and Thread Inspection
2024-06-26	-	Initial release

### Purpose for Parts and Accessories Bulletin

To inform dealers that the **Top Case Mounting Kit (Part No. 53000800A)** is now available and fits all 2021-2024 Pan America **NON-CVO** models (RA1250, RA1250S).

The previous kit (Part No. 53000800) remains available and fits 2021 through 2023 Pan America (RA1250, RA1250S) vehicles

### Vehicles Affected

2021-2024: Pan America (RA1250), Pan America S (RA1250S)

### Markets Affected

All markets affected.

### Summary

Top Case Mounting Kit (Part No. 53000800A) fits all 2021-2024 Pan America (RA1250) and Pan America S (RA1250S) vehicles. The kit is available to order on October 7, 2024.

Because initial inventory is limited, dealerships should continue to order Top Case Mounting Kit (Part No. 53000800) when needed for 2021 to 2023 models.

For 2024 Pan America (RA1250, RA1250S) vehicles, an inspection will be required to determine if (Part No. 53000800 or 53000800A) is needed.

Additional inventory of the new kit (Part No. 53000800A) is expected to arrive at the end of October 2024.

### Thread Inspection

*NOTE*

***Pan America tail sections produced from 2021 into mid-year 2024 will have threaded rear spools.***

1. See Figure 1. Visually inspect for threads in rear spools of tail section frame.
