

TRIUMPH BEELINE MOTO II (US)

Triumph is introducing a new Triumph Beeline Moto II Special Edition navigation system. The upgraded system features a larger screen, seamless turn-by-turn navigation, and premium laser-etched Triumph branding, combining functionality and style.

With worldwide mapping, customizable route options, and GPX import capabilities, riders can use this device to navigate with ease. The rugged and waterproof build, extended 14-hour battery life, and easy glove-friendly controls make it perfect for any Triumph model. More information is available on the [attached](#) Press Release.

The new Triumph Beeline Moto II is now available for dealers to order through the EPC, with Part # A9630833. The recommended retail price is \$249 USD.
