

Bulletin No.: PIP6016

Published date: N/A

Preliminary Information

PIP6016 M1L M1M and MLH Corvette Transmission Restriction

Models

Brand: Chevrolet **Model:** Corvette **Model Years:** 2020 - 2024 **VIN:** from All to All **Engine:** All **Transmissions:** All

Involved Region or Country	North America
Condition	Transmissions for the 2020-2024 model year Corvettes, part numbers, 24047269, 24047270, 24050947, 24050948, 24046187, 24046937 have been placed on restriction through PQC.
Cause	Recent natural disasters have caused a shortage of parts needed to complete transmission assemblies. This restriction is being put into place to ensure that we repair vehicles that are inoperable due to transmission related issues. As soon as all aspects of assembly process are restored the restriction will be lifted.

Correction:

If a transmission assembly is needed to repair the vehicle please see the questions below and make sure all applicable steps and questions can be answered before starting a PQC case.

U.S. Dealers:

Please contact the Product Quality Center (PQC) by opening a new case via Dealer Case Management (DCM) From the DCM home page, click on "New PQC Case" found on the Technical Assistance tab.

Then in Global Connect click on the Support/Chat tab, as banner states go to "Tools and Resources" to see TAC-PQC Tab which will list PQC -Parts Restrictions Templates to Download the appropriate one and save a copy to your computer, You can attach a copy of the template to your PQC Case.

Canadian Dealers:

If your diagnosis leads to a possible part replacement, please contact the PQC by email at PQC@gm.com or by calling 1-866-654-7654 to receive the PQC -Parts Restriction Template then, return the completed Parts Restriction Questions for engineering review.

Note: (Do Not clear any DTCs prior to contacting the PQC).
