Technical Journal 37159.1.0

SERVICE:

The intention with this Technical Journal is to avoid fault tracing or part replacements for known deviations.

The following features are currently not fully activated/available:

- Park Pilot Assist
- Double lock
- Automatically lock car when leaving
- Center display in light mode (only Dark mode active)
- Wireless Apple CarPlay
- Turn Off the Display to clean the center display
- Approach light, rear lamps not active
- Bluetooth might not connect automatically
- Pilot Assist (Hand detection together with active heated steering wheel)

Following features might need manual activation first time after central computer restart (once a night):

- Approach "front light"
- WPC (Wireless Phone Charging)
- Climate timer (Volvo Cars App can be used)
- Bluetooth connection

The following features are currently not planned to be available for EX90:

- Light in steering wheel buttons
- Folding outer mirrors when locking the car
