Background

American Honda Motor Co., Inc. (AHM) is searching for certain 2023 Civic 2.0Ls with a customer concern of an oil leak or a dealer noticing an oil leak from the head cover gasket during routine maintenance. To better understand the cause of this condition, AHM would like to collect specific parts from the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. Civic 2.0L (LX & Sport) The manufactured date on the driver's door jamb must be **AFTER 06/2023** (Vehicle manufactured before 06/23 does not qualify)
2. Must confirm oil leak from the head cover area (click [HERE](#) for example photos)
3. Previous repair attempts are accepted as long as the cylinder head cover or gasket have not been replaced.
4. Vehicle has not been in a collision.

Action Required

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at tis@ahm.honda.com, or call us at 800-880-1072 (Monday-Friday, 7am-5pm PST). TIS will need to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

1. Model Year (e.g. 2024)
2. Model Name (e.g. Accord)
3. Issue (e.g. Brake Judder)
4. VIN

E-Mail Body:

2. Your Name
3. Best Phone Number to be reached
4. Current Mileage
5. Confirm that the vehicle meets qualifiers #1-#4 listed above
6. Attach one wide-angle and one close-up photo of the leaking area.

As a gesture of appreciation to the dealer personnel who identify and report a vehicle that meets the qualifiers, is accepted as a candidate and is the subject of a successful Dealer Visit/Parts Collection/Info Collection, AHM will provide the referring personnel with a **VISA gift card**. Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
