

GPOP - Issue Review System

Part Number: R8333255A\$, RL333255A\$

Part Description: Power Transfer Unit

Issue Description: If considering PTU Assembly replacement related to DTCs C14A7-97 or C1494-92, please be aware of updated diagnostic procedures in the service library which may indicate the smart actuator replacement (PN 68369692AD) is the proper repair.
