

## GPOP - Issue Review System

**Part Number:** 68529400A\$

**Part Description:** SWITCH Mirror

---

**Issue Description:** Before replacing the driver window switch, please follow these steps:  
1.- Review the telescopic mirror Switch for any physical issue (Button stuck, broke). If no physical issue identified, move to next steps. 2.- Make sure the switch harness is properly connected, disconnect the switch and reconnect it, and reverify the issue. 3.- Check for what DTC are detected and take proper steps. If there are no DTC's nor physical defectives, then the telescopic mirror switches can't be replaced.
