## **GPOP - Issue Review System**

**Part Number:** 04627332A\$

**Part Description:** FUEL VAPOR CANISTER FILTER

---

**Issue Description:** EVAP Fuel Filters are to be checked for restriction / blockage on a regular schedule as indicated in the Owner's Manual. If the Filter is restricted or blocked then replace the part. For customers that drive light duty trucks in extreme dusty and dirty road conditions, please reference information only TSB 25-009-24 for an available MOPAR Dual EVAP Filter kit that is customer paid.
