Note: MY 2020 X3 and X4 model vehicles have been added to this bulletin update of December 2024.

Eligible Vehicles

To assist you in identifying those vehicles that have this component-specific extended limited warranty (ELW) coverage ELW, the following Vehicle Comment will show in the VIN-specific Warranty Vehicle Inquiry (WVI).

August 2021 and July 2022

Please see SI B01 09 21 (DC 16 13 91 12 00): For this vehicle, the NVLD limited emission-related warranty for defects in materials or workmanship has been extended to 15 years/150,000 miles as determined from the original in-service date. This coverage is subject to the same vehicle eligibility requirements, limitations, and exclusions that apply to the BMW New Vehicle Limited Warranty.

Or:

December 2024

SI B01 09 21 (DC 16 13 91 12 00): For this vehicle, the NVLD modules limited warranty for defects in materials and/or workmanship has been extended to 15 years / 150,000 miles, as determined from the original in-service / first delivery date. This coverage is subject to the same vehicle eligibility requirements, limitations, and exclusion criteria that applies to the BMW New Vehicle Limited Warranty for Passenger Cars and Light Trucks.

Note: Before performing a repair and submitting a claim, first confirm that the vehicle has the above Notice of Extended Limited Warranty coverage in the WVI "Vehicle Comments" section.

If you have ELW eligibility and/or coverage questions, please contact the Warranty department through IDS by selecting Coverage, Policy, Coding Questions and Mileage Corrections prior to performing any repair.

November 2024

Effective as of the date above, the following **Important Vehicle Limited Warranty Information**, applies to the BMW model with Vehicle Identification Number (VIN) **SUXCR4C08L1234567**.

Dear BMW Owner/Lessee:

BMW of North America, LLC ("BMW NA") is extending the limited warranty for the:

- EVAP system's Leak Diagnosis System (NVLD) module on the above-referenced vehicle to:
- 15 years / 150,000 miles, whichever occurs first, as determined from your vehicle's original in-service/first delivery date.

This component-specific extended limited warranty (ELW) applies to defects in materials and/or workmanship. This coverage is subject to the same vehicle eligibility requirements and limitations that apply to the BMW New Vehicle Limited Warranty for Passenger Cars and Light Trucks.

This is not a notice of a Recall or Service Action. This is a notice of a "component-specific limited warranty extension."

Over time, the Leak Diagnosis System (NVLD) module's component material may fail, this can cause fine (micro) leaks to develop, this can affect the functionality of the vehicle's Evaporative Emission Control (EVAP) system. Should this occur, the vehicle's monitoring system may generate and store the corresponding fault codes, and the Malfunction Indicator Lamp (MIL) will illuminate.

If your vehicle is experiencing a situation like the one described above, please contact your authorized BMW center to schedule an appointment to have the issue with your vehicle diagnosed.

After the BMW center confirms that the scope of this component-specific extended limited warranty coverage corresponds and applies to the required vehicle repair, and your vehicle qualifies, the authorized BMW center will perform the covered NVLD leak diagnosis module repair work free of charge. The repair of other EVAP system-related component issues are excluded under this coverage.

Repairs performed on ineligible vehicles, eligible vehicles operated and repaired outside the United States and Puerto Rico, or the diagnosis and repair of issues that are outside the intended scope of this extended coverage, other unrelated issues, and/or that are due to outside influences are not covered by this limited warranty extension. This exclusion also applies to repairs that were performed using (including those repairs that result from using) non-genuine BMW parts and/or used BMW passenger car or light truck parts.

BMW NA will also reimburse certain costs for qualifying customer-pay repairs performed **prior** to the release of this component-specific limited warranty extension, as described in this letter.

We are determined to exceed those expectations and hope this warranty extension will further enhance your ownership experience.

Sincerely,

BMW of North America, LLC

BMW Leak Diagnosis System (NVLD) Module - Extended Limited Warranty (ELW) Previous Customer-Pay Repair – Required Documentation Checklist

VIN: 5UXCR4C08L1234567

Reimbursement for a qualifying customer pay repair is available to the BMW Owner/Lessee who incurred the expense. The questions below will assist you in reviewing your repair order/invoice documentation. When all your responses below are "Yes," and after completing the Checklist, proceed to page three (3) for further instructions.

Prior Repair Review Questions	Answer - One per Row	
Was a repair performed to your vehicle to correct an issue with the EVAP system's Leak Diagnosis System (NVLD) module?	Yes, next	No
Did you pay for this repair?	Yes, next	No
As determined by your vehicle's in-service date (age), and the mileage when the repair was performed, was the vehicle still within 15 years (180 Mths) / 150,000 miles, whichever occurs first?	Within 15/150, Yes, next	No
Did the repair facility's diagnosis confirm this component failed? (It did not fail for a different issue, and/or due to an outside issue with your vehicle)	Yes, proceed to the checklist	No

When a Prior Repair Review Question's result is a "No" response, no further action is required.

Required Repair Order (RO) or Invoice Documentation - Checklist

For a previous repair reimbursement request, please include a copy of your completed page 2 document (one per repair/request) together with legible copies (either a scan, photo, PDF, and/or screenshots) of the following documentation with your name, address, and your preferred contact telephone number(s) and email address(es).

This documentation must include the following information:

- ☐ Customer name and address
- ☐ Vehicle Identification Number ("VIN")
- ☐ The date of repair
- ☐ The mileage when the repair was performed
- ☐ Itemized list of labor charges for all repairs* including diagnosis
- ☐ Itemized list of parts (Part numbers), including any miscellaneous items, billed for all repairs*

(*) For repair orders containing multiple repair line items, reimbursement consideration will only be given to those line-item expenses that are directly related to the specific repair that is now covered by this component-specific extended limited warranty.

Required Proof of Payment Documentation

Please provide a copy of at least **one** of the following items as valid proof of payment:

- ☐ Repair order (RO)/invoice stamped and dated as "PAID"
- ☐ Cancelled check
- ☐ Signed credit/debit card receipt
- ☐ Credit/debit card statement

BMW of North America, LLC ("BMW NA") reserves the right to review and adjust/reduce the amount that will be reimbursed based on what is normally recognized as customary, fair, and reasonable, to diagnose, perform a repair, or replace a component (including the applicable and scope of replacement parts, and related materials) to address an operational issue with the vehicle.

Except for reasonable account number protection measures, illegible, altered/modified, incomplete, non-authentic and/or fabricated repair order/invoice documentation will not be accepted.

BMW Leak Diagnosis System (NVLD) Module ELW Previous Customer-Pay Repair - Reimbursement Request

VIN: 5UXCR4C08L1234567

Eligible and Qualifying Previous Customer Pay Repairs

BMW of North America, LLC (BMW NA) will reimbursement certain costs for qualifying customer-pay repairs that were performed on eligible vehicles **prior** to the release of this component-specific extended limited warranty.

A qualifying customer pay repair must primarily be for a covered issue that required the vehicle's the EVAP system's Leak Diagnosis System (NVLD) module to be replaced. Also, the repair facility 's procedures to address the above situation must have been performed correctly, adequately, and completely, as required by the applicable BMW Group approved repair standards and instructions.

Customer-pay repairs are subject to the same vehicle eligibility requirements, limitations, and exclusion criteria that applies to the BMW New Vehicle Limited Warranty for Passenger Cars and Light Trucks.

Repairs that Do Not Qualify for Reimbursement

Repairs performed on ineligible vehicles, eligible vehicles operated and repaired outside the United States and Puerto Rico, or the diagnosis and repair of issues that are outside the intended scope of this extended coverage, other unrelated issues, and/or that are due to outside influences are not covered by this limited warranty extension. This exclusion also applies to repairs that were performed using (including those repairs that result from using) non-genuine BMW parts and/or used BMW passenger car or light truck parts.

Requesting Reimbursement

To request reimbursement for a qualifying customer pay repair performed either by an authorized BMW center or independent repair shop located in the United States (including Puerto Rico), please submit your reimbursement request online at www.BMW-RP.com under the following reference:

- BMW ELW EVAP System NVLD 15Y150M

Reimbursement Request Procedure

The online process is initiated by attaching/sending PDF files of the supporting documentation for the prior repair (A copy of a completed page two (2) checklist, together with the other required documentation).

The alternative method to request reimbursement, either by mail, or by fax, is described below:

BMW Customer Reimbursement Center
Attention: BMW ELW EVAP System NVLD 15Y150M
P.O. Box 54067
Hurst, TX 76054

Fax number: 877-434-2992

Please allow 4-6 weeks for processing your request.

Should you have any questions concerning this reimbursement process, please call 1-844-857-0341.
