Calendar function - No longer available

Customer statement / workshop findings

Calendar feature in the MMI does not work although the tile is visible

Calendar feature in the 'MyBentley' App no longer visible

Technical background

The "Calendar" service is no longer available as the service has been deactivated for technical reasons; this applies to all vehicles.

The possibility of reactivating it is currently being evaluated.

Production change

An update to the 'MyBentley' App now removes the calendar feature. The MMI still shows the calendar function but does not operate

Measure

Inform the customer that this is normal behaviour due to the calendar function no longer being available.
