 Cadillac OPTIQ 2025 All All All All

|                                   |  |
|-----------------------------------|--|
| <b>Involved Region or Country</b> | North America                                      |
| <b>Additional Options (RPO)</b>   | UQP  |
| <b>Condition</b>                  | Dolby Atmos is not working.                        |
| <b>Cause</b>                      | Dolby Atmos is disabled until second quarter 2025. |

#### Correction:

Do not attempt any repairs for this concern.

The Dolby Atmos feature will be enabled in the second quarter of 2025.

The update to enable the feature will be provided as an Over The Air Update (OTA).

If the customer chooses to decline the update they can bring the vehicle to the dealer to have it installed when it becomes available.
