What will Ford and your dealer do? **Software is now available to repair your vehicle.** In the interest of customer satisfaction, Ford Motor Company has authorized your dealer to update the software in the Secondary On-Board Diagnostic Module (SOBDM). This action will be free of charge (parts and labor) under the terms of this program.
This Customer Satisfaction Program will be in effect until October 31, 2025, regardless of mileage. Coverage is automatically transferred to subsequent owners.

How long will it take? The time needed for your dealer to complete this update is less than one half-day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.
