Background

American Honda Motor Co., Inc. (AHM) is searching for certain 2023-2025 Civic 2.0L Sports with a customer complaint of front damper noise while turning. The noise may occur at any speed. To better understand the cause of this condition, AHM would like to specific collect parts from the vehicle prior to you attempting a repair of any kind.

AHM is interested ONLY if the vehicle meets the following requirements:

1. 2.0L Sport trim models only.
2. Noise must be isolated to the front damper(s) using ChassisEARS.
3. Damper must NOT be leaking.
4. Noise must be duplicatable (capture noise on a short video).
5. The vehicle has not been in a collision.
6. No previous repairs or replacements of the damper or damper components.

Action Required

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at tis@ahm.honda.com or call us at 800-880-1072 (Monday-Friday, 7am-5pm PST). TIS will contact you to record certain vehicle information and provide you with further instructions.
