 RE: **Request for Parts: 2020-2022 Odyssey Power Sliding Door Motor Inop (ACTION REQUIRED)**

This message is solely directed to Honda dealership personnel; please handle it accordingly.  
 Print this iN message and provide a copy to the Shop Foreman and all Service Advisors.

**Background**

American Honda Motor Co., Inc. (AHM) is searching for certain 2020-2022 Odysseys with a customer complaint of the power sliding door not opening or closing under its own power. To better understand the cause of this condition, AHM would like to collect certain parts from the vehicle prior to you attempting a repair of any kind.

**Qualifiers**

AHM is interested ONLY if the vehicle meets the following requirements:

1. Must be able to duplicate the concern.
2. Must be able to open/close sliding door manually.
3. Issue must NOT be related to pinch sensor, center rail or door latch.
4. No prior replacement of the center rail, rollers, or motor.
5. Vehicle has not been involved in a collision.
6. No repair attempts during this visit.

**Action Required**

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at [tis@ahm.honda.com](mailto:tis@ahm.honda.com), or call us at 800-880-1072 (Monday-Friday, 7am-5pm PST). TIS will contact you to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

1. Model Year (e.g. 2024)
2. Model Name (e.g. Accord)
3. Issue (e.g. Brake Judder)
4. VIN

E-Mail Body:

1. Dealer Number
2. Your Name
3. Best Phone Number to be Reached
4. Current Mileage
5. Confirm that the vehicle meets qualifiers #1-#6 listed above, include All DTC Check.
6. DPTS#

As a gesture of appreciation to dealer technicians who identify and report a vehicle that meets the qualifiers, was accepted as a candidate and is the subject of a successful Dealer Visit/Parts Collection/Info Collection, AHM will provide the referring technician with a **VISA gift card**. Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
