

## **SSM 53314 2025 F-150/Bronco Sport/Maverick - Inoperative Audio System While In Transport Mode**

Some 2025 F-150/Bronco Sport/Maverick vehicles built with B&O® Sound System by Bang & Olufsen® may exhibit an inoperative audio system while in Transport mode. The vehicle's audio system will operate normally once Transport mode is exited, and the vehicle is in Normal mode after a key cycle. This condition does not affect vehicle durability, and no additional diagnosis or service is required for this condition at this time. Replacement or reprogramming of the ACM will not resolve this condition.
