**Re: Special Service Tool (SST) Shipment SOA321152 and 153: Electrical Terminal Test Kits "A" and "B"**

---

The following Special Service Tool kits will be shipped directly to all Subaru retailers during February as **SOA321152: Terminal Test Kit "A" (J48817-SUB-A)** and **SOA321153: Terminal Test Kit "B" (J48817-SUB-B)**. These are essential tool kits required for use in servicing the wiring systems on all Subaru vehicles.

Retailer cost of tool kit "A" is \$861.20 and Kit "B" is \$1696.58 (plus applicable sales tax). These kits will be invoiced by SOA on the retailer's AR statement.

| Image   | Tool Name           | Part Number |
|---|---------------------|-------------|
|  A black and silver plastic carrying case for Terminal Test Kit A. The front panel features the Subaru logo at the top, followed by the text "SUBARU", "TERMINAL TEST KIT A", "KIT DE TEST TERMINAL A", "KIT DE PRUEBA DE TERMINALES A", and "J48817-SUB-A" at the bottom.  | Terminal Test Kit A | SOA321152   |
|  A black and silver plastic carrying case for Terminal Test Kit B. The front panel features the Subaru logo at the top, followed by the text "SUBARU", "TERMINAL TEST KIT B", "KIT DE TEST TERMINAL B", "KIT DE PRUEBA DE TERMINALES B", and "J48817-SUB-B" at the bottom. | Terminal Test Kit B | SOA321153   |

In cooperation with our colleagues at Subaru Canada, Inc., user materials have been developed for Technicians to reference when using these kits and will be released to STIS as a TSB very soon.

The storage location for these two new kits is in the Overhead Tool Cabinet. If you have questions, please contact Subaru Service Operations at: [serviceoperations@subaru.com](mailto:serviceoperations@subaru.com).
