SUBJECT: FL997 Emissions Recall - Revised Bulletin/Population

This letter is to inform you that Emissions Recall FL997, FCCC Clean Idle Label, has been revised and reactivated. Certain vehicles that were previously in Group A have been moved to Group B. The work instructions have been revised.

Group A will need a Clean Idle Label installed.
Group B will need the Clean Idle Label removed.

Please refer to the FL997 emissions recall bulletin located on the DTNA Portal.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC (Warranty Support Center) app located on the DTNA Portal.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
