

## GPOP - Issue Review System

**Part Number:** 68590583A\$

**Part Description:** SWITCH AND BEZEL Front Door

---

**Issue** Before replacing the Window Switch/Mirror Switch, please follow these steps:  
**Description:** 1.- Check for what DTC are detected and take proper steps according to the DTC's. 2.- Make sure all the switches are properly connected to their harness, disconnect the switch and reconnect it. 3.- Review the window Switch for any physical issue (Button stuck, broken) If after performing these steps the switch remains faulty. Follow suggested repairs per diagnostics performed.
