

## **SSM 53348 2025 Explorer/Bronco Sport/Maverick - 2.3L/2.0L EcoBoost - Failure To Communicate With State Emissions Testing Equipment**

Some 2025 Explorer vehicles equipped with a 2.3L EcoBoost and 2025 Bronco Sport/Maverick vehicles equipped with a 2.0L EcoBoost may not be compatible with state emissions testing equipment if that equipment has not been updated to be compatible with the new testing protocols. If this concern occurs, contact the state inspection administrator's helpline for direction and reference the Ford SAE J1979-2 Announcement found at OBD Clearing house website at <https://www.obdclearinghouse.com/>.
