- Black Roof Rails
- Genuine Leather
- 4-Way Power Driver Seat
- Black Headliner
- Drive Mode Selector
- Auto Dimming Mirror with HomeLink
- Blind Spot Warning
- Rear Cross Traffic Alert

## ENGINE

The 2.0L MIVEC (Mitsubishi Innovative Valve-timing Electronic Control) engine balances maximum HP of 148 with low fuel consumption for a smooth, efficient drive. The SEL model features even more power with a 2.4L version of the MIVEC.

## TRANSMISSION/DRIVE SYSTEM

All models equipped with All Wheel Control (AWC) have 4WD control logic that protects the drive-train by suppressing heat generation of the electronic-control coupling and provides extraordinary traction and stability in all driving conditions.

## CONVENIENCE/TECHNOLOGY

8" Smartphone Link Display Audio system is a standard feature beginning with the LE model.

Mitsubishi's advanced Smartphone Link Display Audio system works seamlessly with Apple CarPlay while available Android Auto infuses convenience and enjoyment into every drive.

**Apple CarPlay®**

**Android Auto™**

## INTERIOR

Genuine Leather Seats are standard for the 2024 Outlander Sport SEL Trim:

### Automatic Climate Control

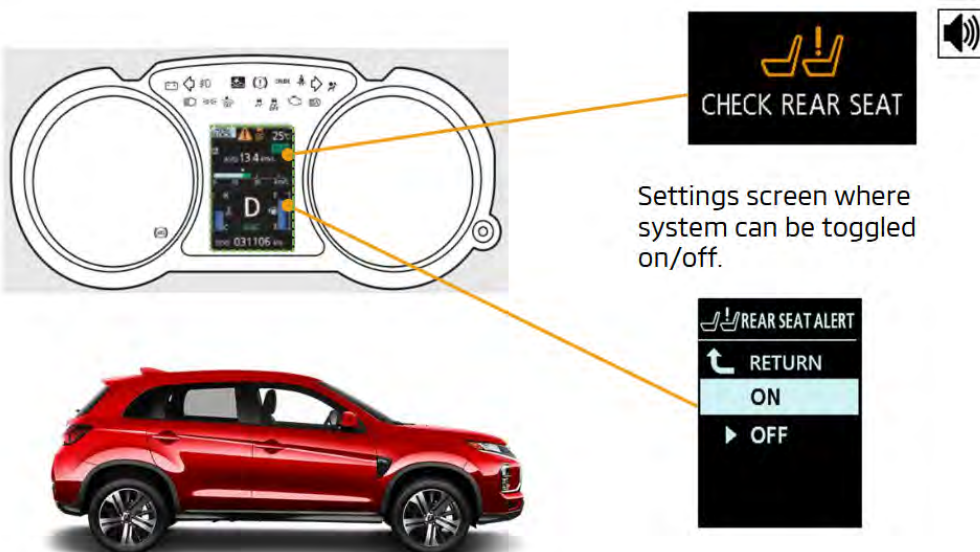

Available automatic climate control lets driver and passenger alike enjoy their personalized settings.

### Rear Seat Alert

Rear seat alert is activated when there is potential for leaving an occupant in the rear seat when the vehicle is placed in park.

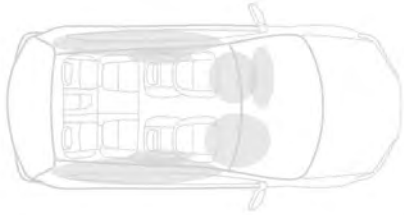

- System works based on the opening and closing of the rear door.
- System will flash "Check Rear Seat" symbol along with an audible warning.

## SAFETY FEATURES

### 7-Airbag System

The Outlander Sport includes six standard airbags: front, front-seat-mounted, and side-curtain airbags. There is also a seventh airbag found underneath the driver's side instrument panel.

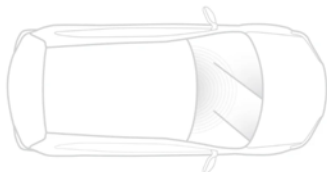

### Active Stability Control (ASC)

Active Stability Control applies braking force to all wheels as needed, utilizing the Anti-Lock Braking System, traction control, and skid control for a reliable driving experience in any environment.

### Rain Sensing Wipers

Rain Sensing Windshield Wipers activate at the first drop of rain and adjust to match the rainfall.

### RISE Body Construction

Reinforced Impact Safety Evolution (RISE) technology helps to absorb and redirect impacts in the event of a collision. Strategically-placed high-tensile strength steel assists in minimizing cabin deformation, maintains cabin integrity, and helps protect passengers against side impacts.

## SAFETY FEATURES (Continued)

### Forward Collision Mitigation (FCM) with Pedestrian Detection

FCM detects likely frontal collisions and warns the driver with audible and visual alerts. Brakes are applied to help avoid or reduce the severity of the collision.

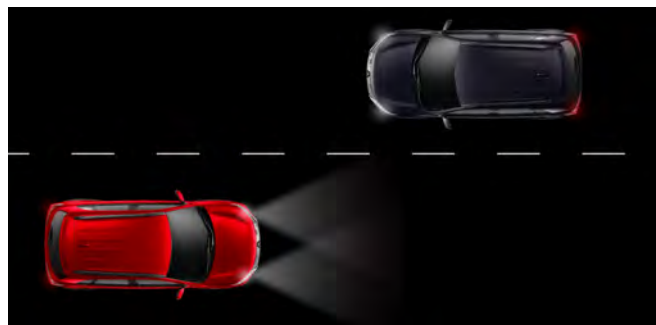

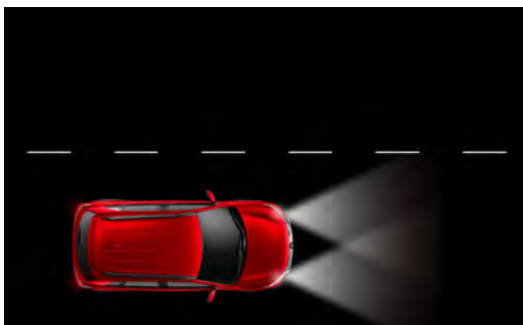

### Lane Departure Warning (LDW)

LDW system regularly monitors your lane position and give audible and visual alerts if it notices an unintentional lane departure.

### Automatic High Beam (AHB)

AHB will automatically switch between high and low headlights to reduce glare for other drivers if other vehicles ahead of you or in oncoming lanes are detected.

## EXTERIOR

### Paint

	Alloy Silver	Labrador Black	Mercury Gray	White Diamond	Oak Brown	Octane Blue	Red Diamond	Sunshine Orange
S								
ES								
LE								
SE								
SEL								

### Power Folding Side Mirrors

Available automatic power folding side mirrors give extra breathing room in tight parking spots.

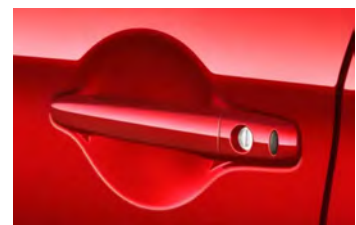

### Push to Start

Say goodbye to the awkward keychain dangling from the steering column. Meet the available push-to-start feature.

### FAST-Key Entry System

Available FAST-Key Entry system lets you lock and unlock with ease. One push unlocks the driver door, while two pushes unlock the others.
