**AFFECTED VEHICLES:** 2025 Outlander

**PURPOSE:**

Mitsubishi Motors North America, Inc. (MMNA) would like our dealer partners to be on the lookout for any product concerns about the 2025 Outlander, including those that may influence customer perception.

If you become aware of any issues with the new Outlander, we encourage you to open a PQR (Product Quality Report). You can generate a PQR by going to the **MDL → Service → Systems → Product Quality Reporting (PQR)**.

Your assistance will help MMNA quickly identify potential issues with this vehicle and work with MMC on timely field fixes and production countermeasures.

Thank you for your help in our quest to provide our customers with vehicles of the highest quality.
