**Cut Keys Quick Reference Chart (Classic Keys)**

---

This Bulletin Replaces Bulletin Group 8,  
#D4, Dated 3-29-19

---

Model Line: **All**

Model Year: **Up to 1981 (Vehicles without the 17 digit VIN)**

**Attention: Parts Manager / Parts Specialist**

Supplying spare or replacement keys is an important service for our customers. This quick reference chart will assist you in providing the correct keys.

Before placing your order, refer to these procedures:

- PRMS orders (Parts Support -> Technical Parts Request) will only be accepted for pre-1981 vehicles (Vehicles without the 17 digit VIN).
- Please reference "Bulletin Group 8 D4" and the part number in the PRMS ticket.

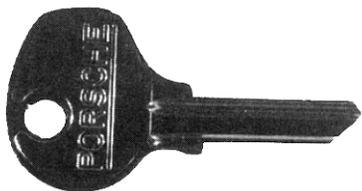

Keys (cut or blank) are not available for alarm systems with separate switches.

Thank you.

**Porsche Cars North America AfterSales**

**Remember  
Keys and Locks must be  
on separate orders.**
