## BULLETIN 25-005

Subject: Body Mount Adjuster for Heavy Duty Wreckers

---

Dear Valued Distributor:

We would like to inform you of an update to the body mount adjuster on the Heavy Duty Wreckers. (JD25 INT, JD35 INT, JD35 IND, JD50 INT, and JD60 IND)

Part number [1001250863](#) which is the threaded body adjuster that the isolator bushing sits in/on has been updated to have taller threads for a wider range of adjustment and leveling. The longer threads add 1" of additional adjustment to the body mounts.

Threaded body mount adjustment tool - [1001254393](#)

If you have any questions, please do not hesitate to reach out to your District Sales Manager.

Thank you,
