Dear Mazda Dealer Colleagues,

As of March 10, 2025, 23,497 additional 2025MY CX-5 vehicles were added to the warranty extension campaign SSPD8 and will currently display SSPD8 when running a Warranty Vehicle Inquiry. These vehicles are the final vehicles subject to this warranty extension.

In October 2024, Mazda Motor Corporation announced a Special Service Program (SSP) to extend the warranty coverage for a specific repair of the fail-safe thermostat in the coolant control valve on certain CX-5, Mazda3, CX-3, Mazda6 and CX-30 vehicles that are equipped with the suspected coolant control valve. The warranty coverage for a specific repair of fail-safe thermostat has been extended to 15 years (180 months) /150,000 miles (240,000 km) whichever comes first, from the original warranty start date.

**UNSOLD IN-STOCK VEHICLES:** There are approximately 6,000 CX-5 vehicles in dealer stock affected by this expansion. There is no repair required, however we are asking dealer staff to advise any Mazda owner of this Warranty Extension and provide the SSPD8 Owner Letter upon Retail Delivery.

Owners of the newly added CX-5 vehicles subject vehicles will be notified by first class mail by March 30, 2025.
