Condition

Select Audi Genuine Remanufactured Parts related to powertrain and/or emissions systems require the installation of a California Air Resources Board Executive Order Label (CARB EO Labels). If the Audi Genuine Remanufactured Part includes an CARB OE label, it must be installed on the radiator core support to help ensure it is easily visible.

Technical Background

Not applicable

Production Solution

Not applicable.

Service

Audi Dealers:

Repair instructions are located by accessing ELSA 2 GO. Additionally, please reference the attached guidance regarding the required installation of the included CARB executive order label while completing this repair.
