Furrion Thermostat E3 code

If you are experiencing an E3 error code with the Furrion Thermostat, there is a compatibility issue between the Furrion Wall Thermostat and Furrion AC control box.

To repair this issue, replace the Furrion Thermostat using the Furrion Single Zone Thermostat.

Please file a warranty claim using the following repair code:

Repair Code	Operation	Description	Allowable Labor
70-656-01-11-003983	Wall Thermostat	Appliances/Roof AC (Furrion)/Replace/Electrical	0.30 hours

Once the claim has been authorized, order the following part replacement from Forest River Parts Department.

Part Number:

F100359696	A/C, FURRION THERMOSTAT ONLY, SINGLE ZONE // 2021123800: LIPPERT COMPONENTS-80
------------	---

If you have any questions or concerns, please contact (260)499-2100.
