**Important:** Service agents must comply with all International, Federal, State, Provincial, and/or Local laws applicable to the activities it performs under this bulletin, including but not limited to handling, deploying, preparing, classifying, packaging, marking, labeling, and shipping dangerous goods. In the event of a conflict between the procedures set forth in this bulletin and the laws that apply to your dealership, you must follow those applicable laws.

### Stunning Vision of Electric Luxury

6875240

Striking the perfect balance of beauty and purpose, VISTIQ has a tapered silhouette emphasized by brightwork details that camouflage the vehicle’s vertical breadth and true capacity.

VISTIQ has the largest Black Crystal Shield grille in the Cadillac EV portfolio. Its grille accommodates the front end’s upright stature while offering a continuous, clean look.

6875239

Eight alluring exterior color options, including the Cadillac-exclusive Emerald Lake Metallic, were curated to pair with four unique interior themes

### Key Features

6875238

- Standard dual-motor AWD with Cadillac up to EPA-estimated 305-mile range (when equipped with 11.5 kW onboard charging module. Based on GM segmentation. On a full charge. Actual range may vary based on several factors, including ambient temperature, terrain, battery age, condition, loading, and how you use and maintain your vehicle)
- 615 HP and 650 lb-ft of torque
- 0-60 in 3.7 seconds with Velocity Max
- (F45) Sport suspension with Continuous Damping Control
- (F47) Air Ride Suspension (standard on Premium Luxury/Platinum)
- (NYS) Active Rear Steering (standard on Premium Luxury/Platinum)
- 3-rows of EV luxury with comforts and amenities for up to 7 passengers
- (ABC) 2nd row captain's chairs (standard on Premium Luxury/Platinum; available on Luxury/Sport)

- (UQP) 23-Speaker AKG studio audio system with Dolby Atmos
- (UKL) Hands-Free Super Cruise Driver Assistance Technology with 3-years of OnStar Super Cruise plan (standard; requires active Super Cruise plan or trial)

- (C24) Intelligent ClimateSense Control, 5-zone automatic
- (UV3) Night Vision (standard on Premium Luxury/Platinum)
- (UAS) Augmented Reality Head-Up Display (standard on Premium Luxury/Platinum)
- (41T) Black Roof (standard on Platinum; available on Luxury/Premium Luxury/Sport)
- (RD3) / (RE6) 23" reverse rim wheels (available on Premium Luxury/Platinum)
- (JF9) Brembo Brakes (standard on Platinum)
- Over 25 standard safety features including (UV2) HD Surround Vision, (CTB) Intersection Automatic Emergency Braking and (UEU) Forward Collision Alert

### Advanced Driver Assistance Systems – New Features

6875241

#### Full Speed Range Hands – On Lane Centering Assist (HoLCA) – New Super Cruise Feature

- Hands-on Lane Centering Assist activates when the vehicle detects proper lane line(s), sufficiently centered in the lane, eyes appear on the road, and hand(s) are detected on the wheel.
- Super Cruise engagement requires map matching to a Super Cruise enabled road.
- Hands must always remain on steering wheel at all times when HoLCA is engaged.

#### Intelligent Adaptive Cruise Control

- Adaptive Cruise Control set speed will be updated dynamically through the drive based off detected speed limit.

#### Vision Enhanced Parking

- This works much the same as our current Automated Park Assist feature today, except it also uses 360 camera input in addition to ultrasonics.
- VEP will add the capability to detect lane lines in the absence of an object to offer more available parking spots and improve the parking maneuver.

#### Performance

VISTIQ delivers a refined, sophisticated and powerful drive experience. Enjoy uncompromising performance and command of the road while the Cadillac standard of isolated precision provides a smooth, comfortable and quiet ride.

**Impressive Performance Highlights:**

- Dual motor all-wheel drive

**Important:** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.
