Cause	TCP/Onstar module 175/175.1 software issue

Correction:

Do not replace any parts for this concern.
Advise the customer that GM is currently working on a design improvement and the concern will be resolved with a software update in the future.
The next TCP/Onstar module software update (v 175.02) will resolve the concern.
Software update 175.02 should be available by September, 2025.

Additional SI Keywords

onstar, module, software
