Effective: 04/03/2025

Release: 04/03/2025

SUBJECT: SF711 - Revised Bulletin

This letter is to inform you that Field Service Campaign SF711 - Automatic Low Voltage Disconnect Switch bulletin and work instructions have been revised. The parts table has been updated to include the mounting bracket and fasteners required for the Automatic Low Voltage Disconnect Switch (ALVD). Additionally, the work instructions have been revised to provide supplementary details for installing the ALVD mounting bracket and wheelchair lift.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the Warranty Support Center (WSC) located on the DTNA Portal.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
