

Service Bulletin

Bulletin No.: 25-NA-087

Date: April, 2025

INFORMATION

Subject: Information on Reflective High Temperature Heat and/or Insulating Tape for Wiring Harness Repairs

This Service Bulletin replaces PIT5962B. Please discard all versions of PIT5962.

Brand:	Model:	Model Year:		Breakpoint:		Engine:	Transmission:
		from	to	from	to		
BrightDrop	GM Passenger Cars and Light Duty Trucks	2010	2026	—	—	All	All
Buick							
Cadillac							
Chevrolet							
GMC							

Involved Region or Country	North America
Condition	When performing certain repairs, such as a wiring harness repair, there may be a reflective high temperature heat or insulating tape that may need to be replaced. In some cases, the part number for this type of tape can be difficult to locate, which is the reason for this Bulletin.
Cause	Difficulty locating the part number for a reflective high temperature heat or insulating tape.
Correction	If a reflective high temperature heat or insulating tape is needed, refer to the Parts Information.

Important: Service agents must comply with all International, Federal, State, Provincial, and/or Local laws applicable to the activities it performs under this bulletin, including but not limited to handling, deploying, preparing, classifying, packaging, marking, labeling, and shipping dangerous goods. In the event of a conflict between the procedures set forth in this bulletin and the laws that apply to your dealership, you must follow those applicable laws.

GM bulletins are intended for use by professional technicians, NOT a "do-it-yourselfer". They are written to inform these technicians of conditions that may occur on some vehicles, or to provide information that could assist in the proper service of a vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do a job properly and safely. If a condition is described, **DO NOT** assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your GM dealer for information on whether your vehicle may benefit from the information.
