Description

Medium Duty Battery Electric Vehicle DANA Cradle Harness Connector

Date

4/7/2025

What's New

Safety Recall – Interim Notification

Certain Medium Duty Battery Electric Vehicles (MD BEV) may experience intermittent continuity in one or more terminal pins of the C40 connector on the cradle harness.

Intermittent connections in the C40 connector may result in a loss of propulsion, which may increase the risk of a crash.

This bulletin will be updated once parts and procedures are available.

Introduction

Parts and procedures are not currently available for this safety recall.

This bulletin will be updated once parts and procedures are available.

Certain Medium Duty Battery Electric Vehicles (MD BEV) may experience intermittent continuity in one or more terminal pins of the C40 connector on the cradle harness.

Intermittent connections in the C40 connector may result in a loss of propulsion, which may increase the risk of a crash.

IMPORTANT SAFETY RECALL Interim Notification

This notice applies to your vehicle. Your VIN(s) can be found on the bottom or back of this page.

Subject: Safety Recall: 25PBD – Medium Duty Battery Electric Vehicle DANA Cradle Harness Connector
NHTSA: 25V182
EXPIRATION DATE: NONE

Dear Peterbilt Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Peterbilt Motors Company has decided a defect which relates to motor vehicle safety exists in Model Year 2024-2025 220EV vehicles manufactured from 12/16/2022 through 02/08/2024 equipped with a Dana Cradle Harness. Certain Medium Duty Battery Electric Vehicles (MD BEV) may experience intermittent continuity in one or more terminal pins of the C40 connector on the cradle harness. As a result, intermittent connections in the C40 connector may result in a loss of propulsion, which may increase the risk of a crash.

What is the problem?	Intermittent connections in the C40 connector may result in a loss of propulsion, which may increase the risk of a crash.
What will your dealer do?	When parts and procedures are available, your dealer will inspect the Cradle Harness.
What should you do?	There is no action required on your part at this time.

Peterbilt has initiated this recall to remedy the issue at no charge to you. **Currently, parts and procedures are unavailable to correct this condition.** However, Peterbilt is required to notify customers of the existence of the identified safety defect. **You will be notified by mail when the parts and procedures become available.**

If you require further information about this recall or experience any difficulty in making arrangements for this repair, please contact the Peterbilt Customer Experience Department at PB.Tech.Pubs.Dept@paccar.com.

If you conclude that Peterbilt has not enabled you to remedy this defect in a reasonable time and without charge, you may submit a complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590, or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you no longer own this vehicle, we would appreciate your advising us of the new owner. Please send all known ownership and address changes to PBDiv.Warranty.Docs@paccar.com.

We apologize for any inconvenience this preventive procedure may cause and thank you for your participation in helping Peterbilt provide the highest levels of customer satisfaction and service expertise. We value your business and appreciate your ongoing loyalty to Peterbilt and its dealer network. Industry-leading quality, performance and reliability are hallmarks of Peterbilt products, and we thank you for making Peterbilt your truck of choice.

Sincerely,

Michelle Ponsonby
Director of Customer Experience
