2022-2023 MY F-150Lightning

Body Control Module - BCM

BCM-24.5.1

"Priority Update - Frunk Operation
Software updates are designed to help make your vehicle better over time.
BCM-24.5.1
1
Convenient Frunk Closing
• Your frunk now closes securely with the exterior button, even when your vehicle is locked. This update enhances the convenience and security of accessing your frunk."
