

**\*\* TECHNICAL INFORMATION NOTICE \*\***

DATE: April 23, 2025  
TO: Mitsubishi Motors US & Puerto Rico Dealer Parts & Service Managers  
RE: Storing Vertical Tow Ball and Mount  
TIN NO. TIN-25-66-001

.....

**AFFECTED VEHICLES/PART NUMBERS/PACKAGE CODE:**

2025 Outlander / MZ315484 – Tow Ball & Mount  
2025 Outlander / MZ315326 – Tow Hitch Extension

**PURPOSE:**

With the introduction of the Vertical Tow Hitch, the purpose of this TIN is to remind Mitsubishi Dealers to assemble and properly store the Vertical Tow Ball & Mount Assembly and Tow Hitch Extension prior to delivery of the vehicle. Improper storage of these components could result in vehicle damage and personal injury during a collision.

**Assembly of Vertical Tow Ball & Mount:** Reference TIN-23-66-001

**Storage of Vertical Tow Ball & Mount Assembly and Tow Hitch Extension:** Please reference recommended storage locations below:

- 1) Lift luggage floor board.
- 2) Remove luggage box.
- 3) Pull left and right cargo floor retaining straps and elevate cargo floor.
- 4) Place Tow Ball & Mount Assembly in the rearward compartment.
- 5) Place Tow Hitch Extension in the middle compartment.
- 6) Return cargo floor, luggage box, and luggage floor board to original positions.

1.	Luggage floor board
2.	Luggage box
3.	Luggage floor box <Flat tire temporary repair kit>
