Technical Service Bulletin Notification TSB #: 25-002

Unit Serial Number: «DEVICEID»

May 2025

«Name»

«Address»

«City» «State» «ZIP»

Dear Valued Customer,

Jayco Inc. has determined that certain 2024-2025 Jayco Granite Ridge and 2024-2025 Entegra Condor motorhomes require the Service Bulletin repair. These units are built with a Hellwig rear stabilizer bar. The end link lock nuts may be loose. The fix is to remove the locking nuts and washers from the lower end link and installing new lock nuts onto each end link.

«DEVICEID»

If you have sold or traded your vehicle, or for any reason cannot have this service performed, please contact the Jayco Motorized Customer Service Department at 800-283-8267.

We apologize for any inconvenience or concern this bulletin may cause and want to assure you that Jayco is taking all the necessary steps to ensure our product quality meets your expectations.

Sincerely,

Compliance Management
