|----------------------------|---|
| Field Action Number | N25-249420 |
| Release notes | <ul style="list-style-type: none"> • This update enables the full functionality of Power Open/Close Doors. • All doors must remain closed during the update to ensure success. • Once the software update is successfully completed, settings for Power Open/Close Doors will be available. • For more information, refer to the Door Operation section in the owner's manual. <p>During the update process, your radio may stay on up to 5 minutes after you exit the vehicle. This is expected behavior when an update package is onboard the vehicle. Do not service your vehicle during installation.</p> |
