

UPDATED 5/22/2025 – Clarified determining the correct part number

Mazda Connect Infotainment System Settlement Program Limited Warranty Extension Customer
Service Program CSP13

Coverage Terms

(1) Limited Warranty Extension

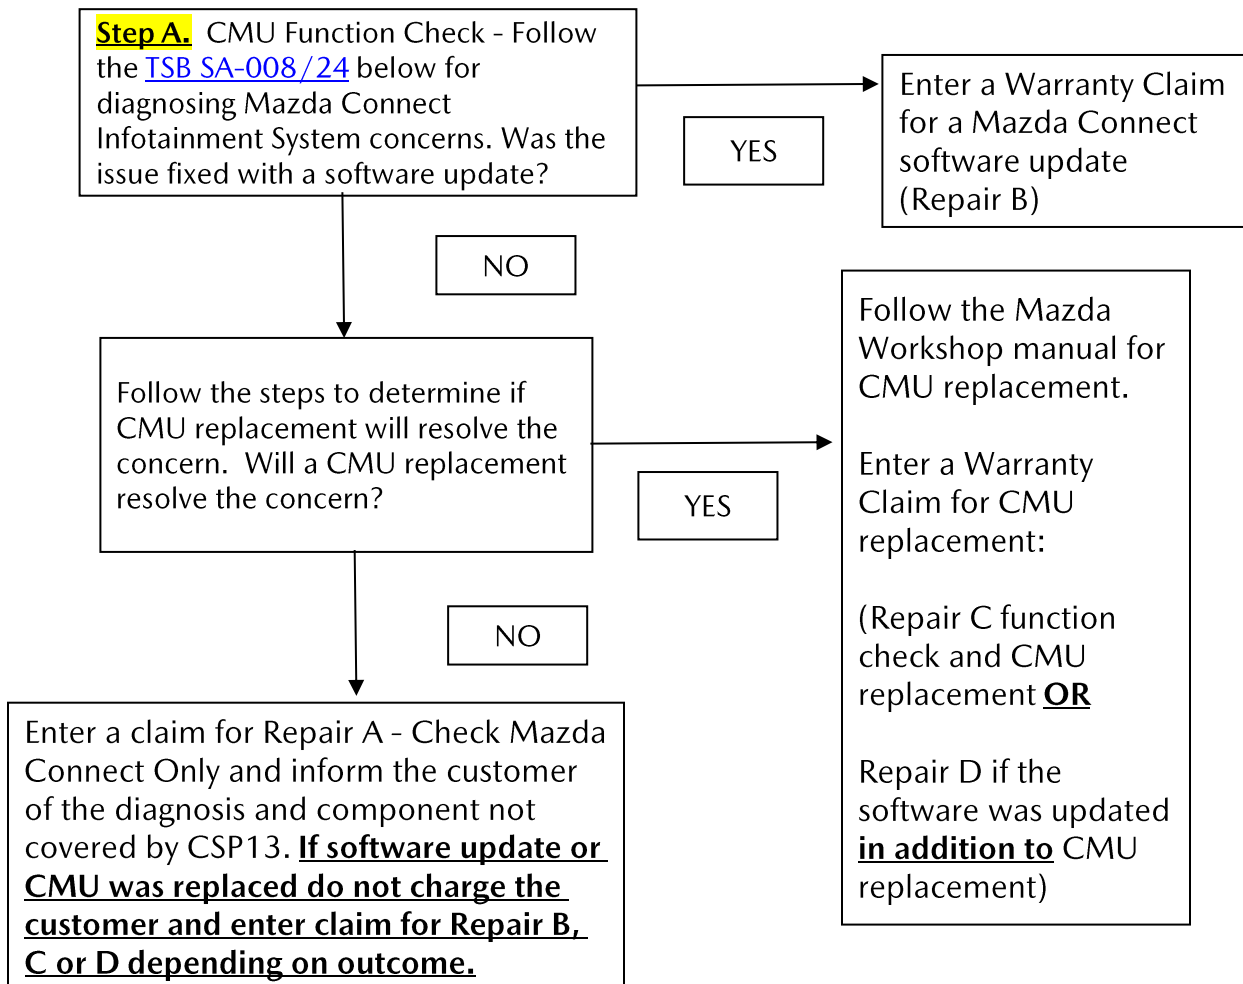

Potential software updates or necessary connectivity master unit (CMU) repairs or replacements for a period of 24 months (with no mileage limitation) from either the expiration of the New Vehicle Limited Warranty, or from February 17, 2025 (court preliminary approval date), whichever is later. **NOTE: This Warranty Extension is not a recall but Mazda Connect software updates upon request by the customer are allowed and if updated, make sure the system is operating properly after the update.**

(2) Reimbursements for Out-of-Pocket Expenses: Mazda North American Operations does not process reimbursements for CSP13. Customers who received a class action notice can apply for reimbursement for any out-of-pocket expenses related to prior repairs per the terms and conditions at <http://www.MazdaInfotainmentSettlement.com>

NOTE: This CSP will only cover Mazda Connect concerns where a software update or the CMU is the repair. Non-covered items are, but not limited to, display screens, rear cameras (vehicles without Safety Recall 6023G), SD Cards and reader/connectors, commander switches and Mazda Connect controls, wiring to and from the CMU (including harness connectors), Apple or Android Auto or any damage to the CMU or Mazda Connect system from outside influence. If the repair is a non-covered item please follow guidelines to review for any coverage under Warranty or following normal DSA guidelines.

Flow Chart for Repair:

1. Mazda Connect Software updates are covered upon customer request, but make sure after update the system is functioning properly.
2. If a problem with Mazda Connect is reported, follow the Flow Chart below. NOTE: Any parts or labor not listed in the Parts & Warranty Information must have prior Warranty pre-authorization prior to replacement.

WARRANTY CLAIM PROCESSING INFORMATION – Only used for vehicles where the New Vehicle Limited Warranty has expired.

Period Covered: 24 months with no mileage limitation from either the expiration of the New Vehicle Limited Warranty, or from February 17, 2025 (court preliminary approval ordered date), whichever is later.

NOTES:

- A. **If the vehicle is under the New Vehicle Limited Warranty, please submit the claim following normal Warranty guidelines and do not use the information below.**
- B. Not Covered vehicles. Branded, Salvaged, Total Loss vehicles, outside influence and other exclusions as outlined in The Mazda Warranty Booklet are not covered.
- C. If the customer paid for a repair at a Mazda dealer (out of warranty situations) between February 17, 2025 and April 29, 2025 **DO NOT** enter a Warranty claim under CSP13 and advise the customer to apply for reimbursement at www.MazdaInfotainmentSettlement.com
