

2025 MY SuperDuty(F-250,F-350,F-450,F-550)

Telematics Control Unit - TCU

TCU-25.2.7.5

Priority Update - Vehicle Connectivity

Telematic Control Unit Module

TCU-25.2.7.5

1

Connectivity and Location Services

This update deploys a recovery mechanism to address intermittent connectivity loss, enhancing the vehicle's ability to maintain connection and location services.
