

Can-Am RYKER 2-UP Seat Latch - 144096

Summary:

Upon installation of the 2-UP passenger seat, difficulty to install might result in the breakage of the latch

Type:

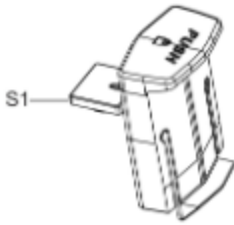

General

TST Detail:**Problem:**

When installing the 2-Up passenger seat, difference in tolerances between different Max-mount suppliers make it hard to fully engage the seat, upon frustration it is possible to break the locking tab

Solution:

Instead of replacing the whole seat simply replace the locking tab 293750088

The parts is readily available to order

Repair Procedure:

Take apart the lower and upper sections of the seat and replace the latch, reassemble
